

# New Scientist

WEEKLY 12 August 2017

**UNIVERSAL SELFIE**  
New cosmic snapshot hints  
at dark power struggle

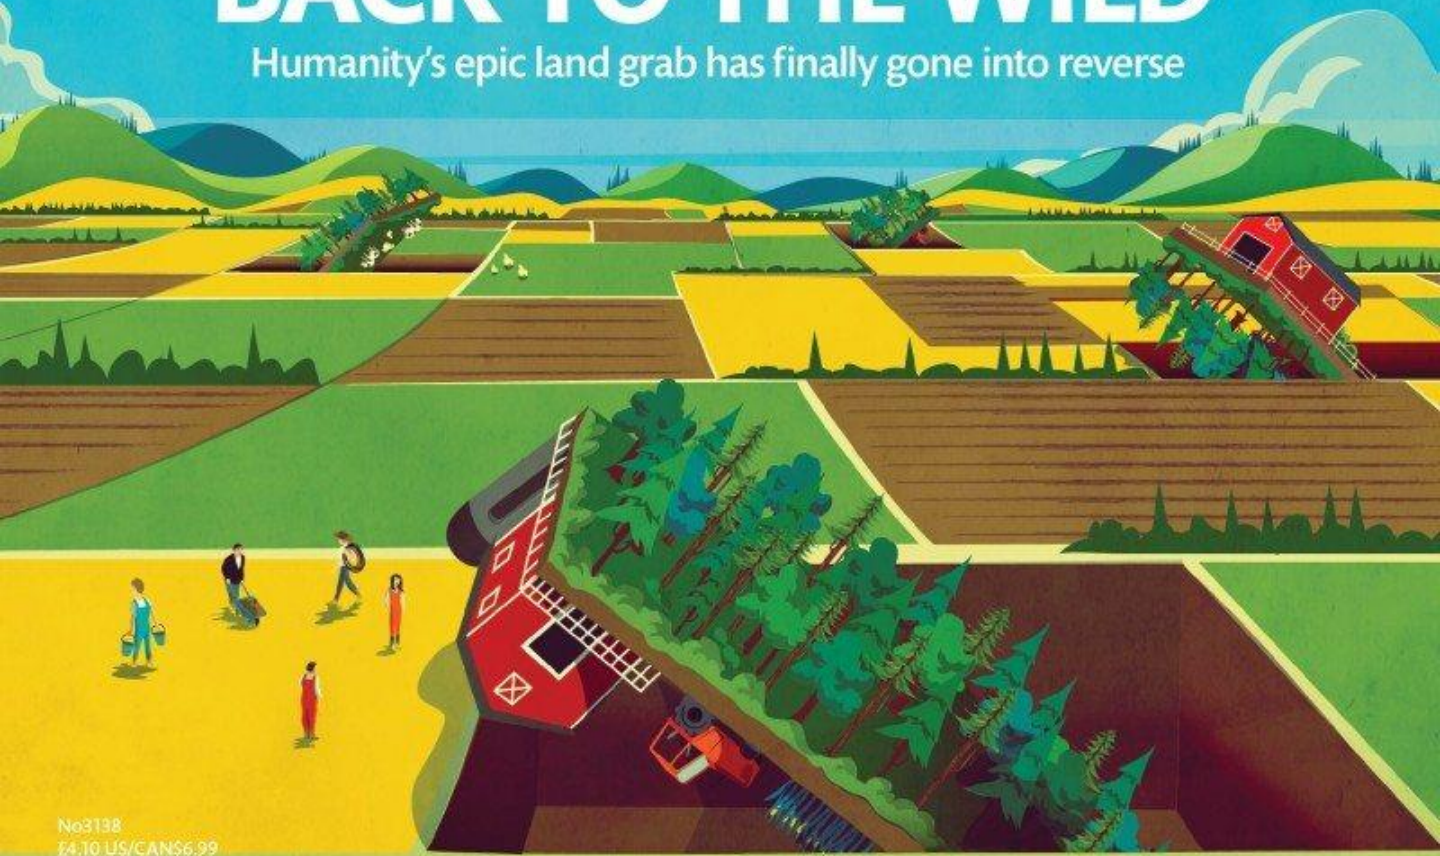

**MOOD MYTHS**  
What you can blame on  
hormones - and what you can't

**HONEY FOR NOTHING**  
Bees are the only insects  
to understand zero

**SAFE AND SECURE?** We can fix the internet - but there's a price to pay

## BACK TO THE WILD

Humanity's epic land grab has finally gone into reverse

No 3188  
£4.10 US/CAN\$6.99

**HUMAN FRIDGE** How chilled lungs could save your life
